## Welcome to All Ice Chalets!

All Ice Chalets Ylläs apartments are comfortably furnished and well-equipped holiday apartments in the best location in Ylläs, right next to Ylläs Sport Resort and its slopes, adjacent to the spa hotel Ylläs Saaga.

There are two different, well-equipped chalet apartments for rent: the 4+2 person apartment has a view in the direction of Lake Ylläsjärvi and the 2+2 person holiday apartment facing the slopes.

### Lovely, active Ylläs

In Ylläs, you will find perhaps the most beautiful slopes, trails and hiking trails in

Finland as well as the varied and wonderful nature of Finnish Lapland. The ski slopes and cross country trails of Sport Resort Ylläs start right in front of the adjacent hotel; in fact you may not need to drive anywhere at all during your vacation. There is a bus service from the airport and train station to the hotel, and a small shop next door and a bigger one can be reached with the ski bus.

The Chalets apartments connect to the Ylläs Saaga hotel with an internal corridor, providing a convenient access to the many services it has to offer. You'll find an à la carte restaurant, a spa with a steam sauna and pools, a gym with massage and physical therapy along with relaxing baths as well as cosmetic services. There is a variety of other restaurants at a walking distance too.
